HAPPY KITCHEN

#Team# Hu Handan Li Qinrui Wu Jiang Zhou Kan

—In our **Happy Kitchen**, you can become a super chef in the VR world! There're different dishes for you to choose. After selecting your recipe, you will obtain a list of foods. Then you need to cut the correct foods to make the dish.

—In addition, we provide several kitchenware for you. Kinds of knifes, bow and arrows, lightsaber... You can select one that you like :)

—This is a game could cover all ages, but at the same time, you can still get thrilling in a very short time by waving the controller and cutting those subjects.
